Your license renewal **will not** approve if you have any of the following issues:

- The licensee is not current on administrative penalty/fine payments.
- The establishments Franchise Tax account is not showing current/active on the Texas State Comptrollers website. (You can verify before renewing at <https://mycpa.cpa.state.tx.us/coa/>)
- The ownership information does not match EXACTLY with the Commissions records.
- The FDIC information does not match the Commissions records. (You can verify this information before renewing through the Public Search feature of the online renewal system)

If you do not meet the conditions listed above, you are ineligible to renew online and must submit a paper renewal form, fees and other required documentation by mail.
